

Steel and Offsite Construction

Confirmation of Continuing Professional Development (CPD) activity

Thank you for submitting the questionnaire on the CPD feature which appeared in Construction Manager. You answered all of the questions correctly.

We hope the feature has helped you make progress towards achieving your CPD objectives. Don't forget to keep a record of this and any other CPD activity you undertake. Keeping a CPD record is a requirement for all CIOB members. This CPD is worth 1 hour of CPD Study.
